

Membership Benefits & Resources

The Connected Commons is a community of people who believe that in an interdependent world, networks are now the organizing principle of our social and organizational lives. We seek to develop network ideas that advance the performance and well-being of individuals, organizations and society as a whole.

As a Connected Commons member, you and your company have a rich portfolio of research reports, cases and best practice guides at your fingertips. In addition, you also have access to a range of courses, assessments and tools that you can employ to help your organization drive results through networks. Your membership includes:
